**RE: Ohlman Utility and Street Improvements  
Mitchell, South Dakota  
SPN #16654**

**BID LETTING: Tuesday, April 14, 2026 @ 1:30 PM**

**ADDENDUM NUMBER 2**

The following modifications are to be made to the plans and specifications for the Ohlman Utility and Street Improvements Project.

**Specifications**

Section C-410, Bid Form for Construction Contract, pages 6, 7, and 8 shall be deleted in their entirety and replaced with the attached pages 6, 7, and 8. These pages have been amended by adjusting bid item 60, 4'x6' Force Main Manhole, and items 85 through 88, Fire Hydrant Assembly of various bury depths, to city-furnished items. Also, items 101 and 102, water main encasement of various sizes, are increased in diameter by 2 inches to provide room for casing spacers.

Section 33 05 61 - Concrete Manholes Paragraph 1.03 G. shall be added:

- G. The 4'x6' force main manhole shall be furnished by the City of Mitchell. The city-furnished items include all necessary base, barrel, and cone sections with the proper liner. Measurement and payment of the installation of the city-furnished 4'x6' force main manhole shall include furnishing the specified casting, excavation, rock base, installation, backfill, and adjustment of the casting to grade including furnishing of adjusting rings.

Section 33 14 19.50 – Water Distribution Hydrants Paragraph 1.05 A. shall be deleted in its entirety and replaced with the following:

- A. Fire hydrant assemblies of the various depths shown in the bid form shall be furnished by the City of Mitchell. Measurement and payment for the installation of city-furnished fire hydrant assemblies shall include excavation, bedding, installation, and backfilling.

**All other items of the plans and specifications remain unchanged.**

  
Jacob Sonne, Project Engineer  
Schmucker, Paul, Nohr & Associates
